

TOWN OF NEWINGTON

PURCHASE AND DISTRIBUTION OF AUTOMATED RECYCLING CONTAINERS

BID NUMBER 8, 2009-10

ADDENDUM NUMBER ONE

March 2, 2010

The following additions, changes, corrections, deletions and clarifications are hereby made to the bid documents. This Addendum consists of one (1) page.

1. On page 5, in the **General Container** section, add to the end of the first item: The Town may, at its sole discretion, allow the Contractor to submit pictures showing each sized container with the Town of Newington seals, logos, etc. in lieu of actually providing a container.
2. On page 6, in the **Container Body** section, 2nd item, amend the acceptable wall thicknesses for the body and container bottom for all three sized containers. This item shall now read: "The minimum acceptable wall thickness for the body and container bottom shall be as follows: 95 gallon, 0.175" for walls and 0.185" for bottom; 65 gallon, 0.175" for walls and 0.185" for bottom; and 35 gallon, 0.150" for walls and 0.155" for bottom."
3. On page 7, in the **Wheels and Axles** section, amend the first sentence of the first item to read "The complete wheel assembly shall be 10 or 12 inches in diameter and all carts of the same size shall have the same diameter wheel assemblies."
4. On page 3, section 8. **ADDITIONAL CONTAINERS**, third sentence, change the delivery period by deleting "14 days" and replacing it with "30 calendar days".
